# Brilliant Western art for sale!

- Joe Netherwood – a renowned western art sketcher influenced Len Mondschein for becoming and pursuing his desire as a western artist. Sketching of realistic western art is one of the characteristics of Len's drawings.
- Growing up as a kid in Brooklyn New York, in the 1940s and 50s, Len was convinced that he was more of a cowboy than any kid growing up in Wyoming or Montana or Texas. Therefore, Len initially drew the sketches of Cowboys, and stories regarded it as a western art. Later on, believing in reality he drew a lot of pictures of magnificent pictures of Native Americans from various western tribes.
