We aim to cover the things happening in India and worldwide with an emphasis on Indian news and stories. We cover a wide area of news from India and around the globe Q: How to deal with "The error appears to have been due to a corrupt download" in a Gatsby install When I try to run gatsby develop I get a "The error appears to have been due to a corrupt download. Delete the local folder and run again." How should I proceed? I've tried deleting local and node_modules folders, and deleting.giti, my gatsby.js file, and node_modules folders, but it doesn't seem to help. I'm on Windows, with NodeJS and NPM installed. A: Run: npm cache clean -f Run: npm install -g gatsby-cli Run: gatsby new project-name Q: Is there a way to tell a user that an earlier draft of their reply has been sent? I have been accidentally deleting drafts of user's messages. If I reply to a 70238732e0
