

Prevent Your Dog from Harm With 'Peach, Please' Adjustable Dog Harness

Avoid halter neck shock if your dog is in a long queue or running alongside you on a leash. Assist in keeping your dog from escaping. It can be helpful for pups who haven't been trained to walk on a leash. Help prevent harm (such as throat damage) in small dogs prone to pulling or tugging at the leash. Assist in keeping your dog's leash from getting entangled between its legs.

['Peach, Please' Adjustable Dog Harness](#) is a great harness custom printed on neoprene fabric and has flexible material. One D-ring on the rear is for attaching the leash, and You may use another adaptable front D-ring for "no pull" or labels. The harness is adjustable in neck and chest locations, allowing for a custom fit!
