Features of Kids' Hug T-Shirt

Here is what you need to know about Kids' Hug T-Shirt

Ideal for Everyone

The size and material collectively make it flexible to fit everyone. This flexible fit offers ultimate comfort to wearing this shirt for hours. The availability of small, medium, large and extra-large sizes eradicates every chance to leave it.

Excellent Sizing

This t-shirt is not an ordinary piece of fabric. It has a crew neck and short sleeves providing a retail fit for clothing that is true to size.

The Airlume Difference and Composition

This comfortable t-shirt is made of Airlume clean cotton, which is thoroughly combed and ring-spun for the texture. When you touch it, it gives a distinct feel. The amalgamation of solid colors is also made of Airlume cotton. However, the Heather colors are made of 48 percent poly. And 52% cotton.

Carefully Crafted

This cute sushi t-shirt is excellently manufactured using seven times less water as compared to other manufacturers. It makes recycle-friendly facilities that ensure zero sweating.

T-shirts are the ultimate part of daily life. Get our Kids' Hug T-Shirt to ensure comfort and relaxing fabric. The flexibility ensures free movement.
