

Portable Car Ashtray – The Ultimate Solution to Disposing Of Cigarettes on the Go

Rolling down the window and flicking your cigarettes away whenever you feel like it is not the habit of a responsible citizen. If you're ready to take part in keeping your environment safe and healthy, say goodbye to old bad habits. Introduce this [Portable Car Ashtray](#) to your car's interior and discard your cigarettes in the right place. It's convenient and helps you avoid littering as you ride.

A Design That Complements a Car's Interior

This practical Car Ashtray is designed to fit the cup holder of almost all cars. With its modern and sleek design, you can rest your worries about cramping your car's décor. This product will elevate your vehicle's appearance and is helpful for the environment. Knowing that you're investing in a product that prevents clutter on the road will significantly add to your peace of mind.

LED Light Flair

Driving around the streets in the middle of the night and needing to dispose of buds? Switch the built-in bright blue LED light to say goodbye to darkness. This feature will guide your way and guarantee proper disposal of your cigarettes to avoid any unwanted accidents. This helpful gadget measures 4.3" (L) x 3.1" (W) inches. It can fit the cup holder of almost all car models easily.

Snaps Open and Shut

The Portable Car Ashtray is extremely simple to use. It boasts a lid that can snap close with the finger's push. This feature comes in handy to ensure safe storage. It also prevents dust from accumulating in the ashtray when not in use and an easy open when in use.
