Say Goodbye to Clean Up

With the [Blush Silicone Baby Bib](#), you won't have to worry about pesky stains or unwanted messes anymore. They are stain-resistant and also incredibly simple to clean! You can prepare the bib for subsequent use with minimal effort. Simply rinse with warm water and dry the bibs. For more convenience, place them on the top portion of the dishwasher, and the cloth will be ready for reuse in no time! Furthermore, these premium bibs include a big, stay-open front pocket to catch any fallen-out food particles and prevent messes.

Super Safe for Children

You can rest assured; these bibs are organic and good for you. They are constructed from 100% food-grade silicone that has received FDA approval. Moreover, it is BPA-free and environmentally friendly. The material is super gentle and won't hurt your baby's neck or cause strain. They boast adjustable straps that make these bibs perfect for all-size infants and toddlers. Whether a boy or a girl, your kid will adore them.

Lightweight and Easily Carried

The Blush Silicone Baby Bib is easily folded and will accompany you on your trips. The foldable feature also comes in handy when there's a need to store the

clutter until you can wash it. When rolled up, these don't occupy much space and can easily be carried in a suitcase.
