Product Type	Quality Level	Price Range
Standard Glass Shelf	Mid-range	\$50 - \$100
Premium Glass Shelf	High-end	\$100 - \$200
Custom Designs	Bespoke	\$200+

# Reaching Our Target Audience

Strategies for Engaging Homeowners and Interior Designers

## Identifying Our Target Audience

Our primary audience includes homeowners and interior designers looking for stylish bathroom accessories.

## Expanding Retail Presence

We plan to partner with home improvement stores and interior design showrooms to increase product visibility.

## Implementing Feedback Mechanisms

Regular surveys and customer reviews will help us gather insights and adapt our offerings to meet their needs.

## Developing a Robust Online Presence

We will establish a strong e-commerce platform and engage actively on social media to reach our audience.

## Executing Promotional Campaigns

Seasonal discounts and product launches will be used to attract and retain our customers effectively.

## Positioning Our Products Effectively

By understanding our audience's needs, we can position our glass shelves as the best choice in the market.
